

ONKYO

ALL-NEW CREATOR SERIES POWERED SPEAKERS

DESIGNED FOR TODAY'S MODERN LISTENER, MUSICIAN, CREATOR AND GAMING FANATICS.
METICULOUSLY ENGINEERED FOR AUDIO PERFECTION.

Onkyo®, a leader in premium audio solutions, is excited to unveil its all-new Onkyo Creator Series powered speakers. Tailored for discerning music lovers, digital content creators, musicians, and gamers, these speakers deliver exceptional sound quality that enhances the audio experience for those who demand the best. Ideal for today's work-from-home professionals, the Creator Series ensures immersive, high-fidelity sound that elevates both productivity and leisure.

Onkyo GX-10DB

The new Onkyo GX-10DB and Onkyo GX-30ARC Powered Monitors offer pure, powerful and smooth sound through their modern, stylish, compact enclosures. Onkyo products have been the heartbeat of home entertainment for nearly a century. Discerning music and movie lovers around the world trust Onkyo's reliability and performance, which is currently on full display with the all-new Onkyo Creator Series.

The Creator Series is equipped with a highly efficient Class D amplifier and a high-performance audio front end, delivering powerful sound that exceeds its size not only on desktops and laptops, but also on turntables and TVs. The DSP technology effectively manages the dynamic range to reproduce every detail, from rich bass to clear mid- and high-range sounds.

ONKYO

Each Creator model is meticulously engineered for audio perfection, as the new series combines technical prowess and functionality. The Creator monitors are a compact and affordable option for all! Built with all the necessary functions, such as flat sound mode, DSP for completely flat sound, with multiple connectivity options: Bluetooth, USB-C, Optical, RCA / iPhone, RCA Sub Pre-Out, Aux, HDMI (GX30).

The included speaker stand / base is designed with a grain texture applied to a premium ABS resin material, as to MDF, which strengthens and overcomes the rattling and moisture weakness unique to other materials.

The new Creator models are equipped with an IR remote control and an attractive angled modern base, and available in two modern finishes, black or white.
