**ROOMWORLD**  
Living Room

**SPECIAL FEATURE**  
Room sound optimization

**TECHNOLOGIE**  
Internet radio, CD player, phono amplifier, DAB+, aptX™ Bluetooth®

MAESTRO, the audiophile all-rounder for your living room: just plug in a pair of speakers and the big hi-fi world is yours. CD player, FM radio, digital and internet radio, as well as streaming services guarantee you a versatile music enjoyment. In addition, the MAESTRO offers an optical, a coaxial as well as a phono connection (MM).

Our MAESTRO can be operated directly on the device, via the remote control or via the OKTIV app.\* The Hypex power amplifiers offer with 2 x 170 watts (4 Ω) enough power for all situations and thanks to the room correction app you simply elicit every speaker its optimal acoustic in your living room.

\*Note: the older versions of the MAESTRO (SO-10000-100) can only be controlled with the UNDOK app.

# MAESTRO

## DESIGN
