 **SOUNDSCAPE**
Bathroom & kitchen

 **SPECIAL FEATURE**
Waterproof remote

 **TECHNOLOGY**
Internetradio, Podcast mode, DAB+ & Bluetooth®

State-of-the-art equalisers and finely tuned loudspeakers deliver a breathtakingly brilliant sound, even in acoustically challenging spaces such as a bathroom. STREAM's sealed housing and waterproof remote control also provide protection against moisture, so nothing stands in the way of enjoying some tunes while you take a relaxing

bath in your personal wellness oasis. With the integrated internet radio, you have the whole world of music at your fingertips. And thanks to the integration of numerous providers, STREAM offers easy connection to the main music streaming services.

STREAM

Approx. 1,11 kg
