A Whole New Immersive Sound Experience

Enhance your home cinema sound with RAY · DANZ. Innovative RAY · DANZ technology creates an incredibly immersive, ultra wide sound stage. This also ensures a larger sweet spot, so you can enjoy amazing performance over a greater area. Get the most out of your entertainment experience, with sound that's powerful without compromising clarity. Enjoy clearer dialogue from the Soundbar's centre channel, tuned for optimal clarity. Make all your entertainment more dynamic with Dolby Atmos, DTS:X and 2 wireless satellite speakers, bringing you multi-dimensional sound that delivers depth and excitement for a more cinematic experience. That also means big, powerful bass. The subwoofer offers a clutter-free solution. No wires, just huge, ground-shaking bass.
