

Adonit AI-Vocal

Smart voice stylus is the new life hack.
Perfect for iPhone and iPad.

With exclusive "Adonit One" APP

Dual Mode Stylus

Quickly switch modes between iPhone and iPad.

1.Green light: iPhone mode can be used on all touchscreens.

2.Blue light: iPad mode can be used on new iPad version. This mode supports palm rejection so you can rest your palm comfortably on the screen while you write.

* Please use the green light for 2017 iPad series and earlier versions.

Easy Recording

Built with 2 omnidirectional microphones with professional DSP noise reduction technology. Standard 2GB memory can record up to 9 hours of audio.

2_{GB}

9_{hr}
