ADONIT NOTE 2

Extra Long Standby and IP65 bring your experience to the next level.

Native Palm Rejection

Rest your palm comfortably on the screen while you write. Adonit Note 2 supports palm rejection, so you don't have to worry about leaving stray lines.

WATERPROOF
IP65

Dust-Proof and Waterproof

IP65 grade, tightly protecting against dust and splashing water, prolonging the service life.

Extra Long Standby

Uses a USB-C for charging. You can charge while you write! A full charge provides 24 straight hours.

Easily operated

No need to connect to Bluetooth! Simply hit the "on" button on your device and write away. It's that simple!

Replaceable tip

The Adonit Note 2 uses a spiral tip that can be replaced easily.
