

# Light Diffusing Stuffsack

Turn Your Headlamp Into A Hangable Light

*Designed For Use With BioLite HeadLamp  
and Most Other Headlamp models*

Need to put your headlamp to use off your forehead? This has you covered. Featuring a proprietary internal attachment system, this stuffsack suspends your headlamp in the middle of the bag for an even, diffuse, ambient light. Drawstring enclosure makes it easy to hang from your tent, tree-branch, or other overhang for area lighting. Store headlamp and its micro-usb cord inside when not in use for simple packing and travel.
