ChromaReal LED Technology

Rechargeable 6,400 mAh Battery Offers Charge Out

Feel At Home With Nature-Inspired Light

Inspired by lighting you can only find in the great outdoors, the AlpenGlow lantern gives you the ability to create your own dusk and daylight feel no matter the time of day. Featuring ChromaReal LED technology, accurately render the colors in your environment with the glow of natural light; feeling more aurora borealis? Shake the lantern for an instant rotation of mesmerizing color. Highly responsive to your mood and setting, this lantern steps up the power of ambient lighting through smart tech and thoughtful design.
