

# SunLight

Personal, Portable Solar Light

If outdoor gear could be on speed-dial, this makes the list: portable, compact, and durable, the SunLight will quickly become a go-to for your off-grid lighting. Offering up to 50 hours of light on a single charge, the SunLight's integrated solar panel offers unlimited light and versatile setup so you can leave your batteries behind and free yourself from rationing your energy.

From illuminating your tent to setting the mood for your backyard dinner, the SunLight is a simple, powerful companion for any adventure.

## Self-Charging Solar

100 lumen dimmable panel recharges from integrated solar or from micro-USB input

## Integrated Sundial

Maximize recharging speed with optimal alignment to the sun

## Full Color Mode

Access red night vision and a variety of colors for festive ambient lighting

## 360° Kickstand

Hang, stand, or hold your light for whatever your setup requires
