SPECIAL FEATURE

360° sound experience

TECHNOLOGY

Internet radio, CD Player, DAB+ & Bluetooth®

The ELITE offers music lovers a wealth of music sources in a compact and stylish design. Experience a powerful 360° sound throughout the whole room thanks to the top-facing loudspeaker. This music system perfectly fits to any bedroom and study room. Simply enjoy your music by listening to internet radio, FM or DAB+ digital radio, CD, connecting the ELITE to your Smartphone or

tablet via Bluetooth® or using the access to the numerous streaming services. ELITE also has a dual alarm function, an automatically dimmable display and a USB port with charging function. With its beautiful hand-crafted wooden casing with a high-quality piano lacquer finish, the ELITE blends in harmoniously into your interior.

DESIGN

Hand-crafted wooden casing with rounded corners and high-quality piano finish. Designed and developed in Germany.
